

Dear

I want to take this opportunity to share with you something exciting that is happening for me this summer. During the third week of July I am going to be a part of the Crossroads missions team, as we travel to the inner-city of Minneapolis, MN.

During the week, we will focus on a number of different areas of ministry. We will be partnering with Bethlehem Baptist Church and the Marie Sandvik Center in downtown Minneapolis. Our ministries will include helping run a kids club, service projects, park evangelism, feeding the homeless, prayer walks, street evangelism, and a variety of other ministries.

I am currently in the process of raising my support for this trip and am writing to several family members and friends asking them to be involved in sending our team to be a part of this project. I would like to ask you to prayerfully consider helping me to meet the financial needs for this trip. I need to raise a total of \$300, which covers all of the expenses of the trip. I would ask for you to prayerfully consider this need and even if you can't help financially, I would still appreciate your prayers as I serve this summer in Minneapolis.

Thanks for taking the time to read and consider this letter. If you have any questions about the trip, give me a call.

Sincerely,
